

Future Crime Overview

The Algorithm is the largest buying collective in the world.

- Created the “.world” universe
- Trades advantages of the .world universe for **access** to all information from .world businesses and personnel.
- **Powered by SOGE**
Source of Gravitational Energy
- **SOGE is being transported** from one secure facility outside Tehran to another near *The Algorithm* in Abu Dhabi.
- *The Algorithm* is focusing resources on securing this trip and providing you all know relevant data.
- **4 Possible Suspects**
 - ⇒ Is there a crime being planned?
 - ⇒ Are they working together?
 - ⇒ Are 1 or more innocent?
 - ⇒ If yes, what is the plan?
